INTERNATIONAL NIGHT

- **Thank you, Momina Malik** and team!
- **DATE CHANGE: Wednesday, May 25 (evening)**
- **And, it's only International Night** – the Spring festival addition to the same night is too much for one team, but think ahead to when we ideally would have a yearly festival at BBMS – anything EC history related?
- BBMS International Night Committee in collaboration with Student Council is excited to organize our in person event in May. We are looking for parent volunteers to make this event a success as it has been in the past.
- **You and your family can help by:**
 - Joining the planning committee that will meet periodically virtually
 - Signup to participate at the event
 - Help us reach out to local businesses and cultural groups
 - Look for emails and sign-up genius for volunteer and donation requests.
 - Questions? Email bbmsinternationalnight@gmail.com

- Thank you, Tamara Bhalla and Amy McCarthy, our PTACHC Delegates! Amy please discuss the below and any other relevant information.

- Can't attend? Email questions you'd like asked to president@PTACHC.org

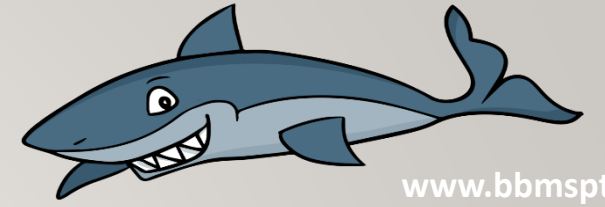

A highlight from the PTACHC May meeting

There is a \$71M difference between what the BOE has asked for and what the County Executive has proposed to the County Council

There is no way to know what the BOE will cut from its budget if the CC does not approve its full requested amount, but the things that tend to happen first and most often include increasing class sizes, cutting related arts programming, cutting special education resources, and decreasing paraeducator positions.

CC will make its decision on the budget on May 25 at noon. There are many budget hearings between now and then! Email councilmail@howardcountymd.gov
